**MURRAY RIVER**  
LASER LIGHT  
SPECTACULARS  
PARNBANDILLA

Two amazing laser light spectaculars set on the banks of the Little Murray River – captivating displays of lasers, lights, fire, water and booming sound!

Experience the Murray River's story from prehistoric era to the present day with **Heartbeat of the Murray**, and explore the Mallee's past, present, and future in the new **Legends of the Mallee**.

Showing nightly after dark on alternating nights  
See our website for show times.

#pioneersettlement

## Welcome to Pioneer Settlement Swan Hill, Australia's first open air museum.

**T**oday you'll explore the history of the Murray Mallee region and what makes our part of the world so remarkable. A tough, dry and vast region of Australia brought to life by the mighty Murray River.

See, touch and hear as you explore the grounds, wind your way around the settlement and use this map as a guide. It will help you plan a memorable and enjoyable visit. And travel the river of a bygone era on the **Pyap** which meanders daily on the Murray for a one hour cruise.

Why not start with our complimentary horse and carriage ride, it will give you a great view of our site before you start exploring.

At the end of your old fashioned adventure be sure to book in for our award winning laser light spectacular '**Heartbeat of the Murray**' or '**Legends of the Mallee**' which run at sunset on alternating nights.

Share your Pioneer Settlement experience with us on Facebook & Instagram: **#pioneersettlement**

or review us on **Tripadvisor** or **Google**.

## Top 7 must see and do activities

- A complimentary ride on the horse and carriage. Find out which of our heavy horses is harnessed for work today. **18**
- Travel to the top of the PS Gem paddle steamer and give her wheel a spin. **7**
- Capture a vintage memory in our Photographic Parlour. **15**
- Inspect our large collection of steel wheel tractors. **38**
- Feel the heat as our blacksmith works at the forge. **34**
- Enjoy a complimentary ride in our lovingly restored 1920s Dodge. **12**
- Visit the past in 3D at the Mechanics Institute to see our Kaiser Stereoscopic theatre, one of the last remaining in the world. **19**

### Don't miss The Paragon Cafe.

Step into a bygone era and savour barista-brewed coffee with an indulgent house-baked pastry, or take a break for lunch and enjoy traditional favourites alongside a modern menu – from fish and chips to a lentil dahl.

**Open 9.30am to 3pm**
